

H.M.Namila Preshan Rupasinghe

BSc (Hons) in Information Technology Specializing in Information Technology – Undergraduate

About me

I am an enthusiastic and detail-oriented IT undergraduate with a strong passion for UI/UX design. With a foundation in information technology. I specialize in creating intuitive and engaging user interfaces. My experience includes designing user-friendly web and mobile applications that enhance user satisfaction and drive business success. I am eager to leverage my skills and knowledge in a dynamic and innovative environment where I can contribute to meaningful projects and continue to grow as a UI/UX designer.
